Subject: Town of Wolfville Cannabis Policy

Good morning

My name is Alex Leblanc.

You may remember me from the townhall meetings.

I have been trying to get the town of wolfville to host a public meeting to discuss the future of the town cannabis policy.

There are many areas that having a policy in effect will avoid problems later.

Cannabis businesses are popping up all over the country and province unregulated. This is largely due to the lack of clarity in the cannabis act and the lack of clarity of medical cannabis patients rights after federal court cases in 2015 and 2016.

Please let me sit down with a town planner to discuss this event, then we can move forward in the traditional peaceful manner that the town know for.

Thank you
