

Seniors' Connection Line (Kings County)

Looking for:

- Information on deliveries and/or access to food, medication, transportation and other essentials?
- Would like a quick telephone call to check-in a couple of times a week, to help reduce fear and anxiety?
- In need of a social call, to feel better connected to the community?
- Looking for recreation ideas at home, to stay physically and mentally engaged?
- Concerned for your own (or another's) safety and security?

**We're here to help &
get you connected**
