Discussion and Decisions

- 3. Comments from the Mayor**
- Recognize the efforts of the Wolfville Branch of the Canadian Legion for recording and broadcasting it for the Town. The Mayor attended the ceremony at Acadia and everyone did an excellent job.
 - Attended the 100th birthday celebration of Dorothy Walker-Robbins.
 - Want to reiterate the comments of Dr. Strang and there is a small amount of community spread in the central zone and with the season of Holidays coming up it is important for everyone to be cautious and do what is being asked in the form of wearing masks, washing hands and if you are not feeling well stay home.
- 4. Public Input/Question Period**
- **George Lohnes** – Circulated an email on Monday regarding the issue of Covid and the University's return. What role if any does the Town have when dealing with Dr. Strang and the Department of Health? It is suggested that the Town has an interest in being at the table and dealing with Dr. Strang when he and his team are finalizing protocols regarding the University students. He strongly thinks the Town should be sitting at the table and should make it known to Dr. Strang.
