#### **APPROVAL OF THE SOURCE WATER PROTECTION ADVISORY COMMITTEE MINUTES OF THE REGULAR MEETING OF OCTOBER 9, 2024.**

#### Discussion:

Megan raised a concern regarding the Kings County agreement for the new well location and the need for land use bylaw protections for the site.

Public Works will have CBCL review existing land use bylaws and make recommendations if necessary.

Discussion will be held with the Kings County Planning Department for any required protections contemplated by this committed.

Motion to approve previous meeting minutes: Moved by Peter, seconded by Meghan.

**CARRIED**

**PUBLIC INPUT:**

No public attendees or online participants.

**FINAL DRAFT OF THE SOURCE WATER PROTECTION PLAN:**

Colin Walker presented the final draft of the Source Water Protection Plan, incorporating feedback from previous meetings.

Discussion:

Howard Williams identified minor errors in Figure 2, including missing roads and facilities. He will send corrections to Colin. Megan inquired about newly identified risks in Table B1, Acadia University representation on the committee, and clarification of completed initiatives in Appendix 3. Colin confirmed the requested changes and clarifications were incorporated into the latest draft.

Motion to accept the final draft with minor amendments and present it to the Committee of the Whole in March: Moved by Howard, seconded by Peter.

**CARRIED**

**ENGINEERING AND MODELING QUESTIONS**

- Howard Williams submitted technical questions related to the water system modeling report.
